le rétablissement**

December 2009

PSR/RPS Canada

Mission Statement:

PSR/RPS Canada is a national association of individuals and organizations committed to the provision and growth of psychosocial rehabilitation services to support the recovery of persons with serious mental health issues.

Our Objectives are:

- To promote psychosocial rehabilitation principles and the growth of psychosocial rehabilitation practices in Canada.
- To provide opportunities for networking at the local, national and international levels.
- To influence public policy as it relates to the advancement of psychosocial rehabilitation services to support the recovery of people with serious mental health issues.
- To promote, support and provide education and training of psychosocial rehabilitation to practitioners and key stakeholders.
- To promote the systematic, ongoing evaluation of psychosocial rehabilitation services for the purpose of continuous improvement.
- To promote research in psychosocial rehabilitation and recovery.
